WHY SHOULD I CONSIDER AN INDEPENDENT COLLEGE OR UNIVERSITY?

Your college experience will shape your adult life and determine your career path, so it's important to find the best fit. North Carolina's 36 independent colleges and universities provide small class sizes, a close-knit community and accessible, dedicated professors. On our campuses, you can explore your special interests and define your path to success.

YOU CAN AFFORD A PRIVATE COLLEGE!

Don't let tuition costs be an obstacle. In addition to federal financial aid based on family income and finances, the North Carolina General Assembly provides more than \$89 million to NC students with financial need, and our colleges and universities distribute more than \$900 million in institutional aid each year. File the FAFSA this fall and contact the financial aid office at the college of your choice to see how much assistance for which you may be eligible.
